

Spinhan.com, Inc.

Asian Career Gateway

-Hire the Highest-

Spinhan.com, Inc. specializes in headhunting and recruiting qualified Asian-American bilingual individuals, in all fields of business administration, computer science, and engineering, with a headquarter in New York, and two other branch offices in Seoul and Tokyo. Our strong presence in the U.S., coupled with an in-depth knowledge of the Asian countries' recruiting processes, gives Spinhan.com a distinct competitive edge in servicing recruiting solutions to the international job market. We assist our clients in locating the best candidates for specific needs: such as Asian-American bi-lingual candidates and overseas' management teams for business expansions.
